Commentary: *Larry Lewis*

Welcome to 2017 everyone! I hope you and your families had a wonderful Christmas season, one that gave you plenty of time to get past all the commercialization and to ponder and meditate on the true reason for the season.

As we enter into a new year, the winds of change are in the air again. Dennis Tutewiler is still our WSHPA president and you can read his first message of the year to our membership on page two. Barry Gentle is our new first vice-president, and Monty McLaughlin was re-elected by unanimous vote to remain 3rd V.P. A couple of our president's first tasks were to appoint a new recording secretary, and a new member to the Hall of Fame Committee. Well at the State Tournament a new recording secretary was appointed. That lucky person is Bonnie Lewis, I am still trying to find out who was added to the HOF committee.

Our States Singles Championships, will take place in Port Orchard on Labor Day Weekend and the State Doubles will be held in Bellingham on Sunday August 20th following the Bellingham International Tournament the day before..

BLAST FROM THE PAST

In the picture to the left can you identify the following:

1. Who is receiving the Trophy
2. Which Class is it for
3. What year this was taken
4. At which Tournament was it Taken.

The picture to the right was taken during the same tournament as the one above.

Answers are further back in this issue.

(This will be a regular feature as long as I have things from the past to use. Since I have all sorts of pictures and Old Shoes news I do not think I will run out. If someone has a lost tid-bit or picture just let me know)

A New Years Greeting from a former Shoes News Editor

Getting a patch from Phyl commemorating attending 10 World Tournaments brings my thoughts back to horseshoes. I think about my horseshoe pitching friends and the many wonderful, eventful memories of those 20+ years often. I miss all of you. You in "Our horseshoe pitching family" are and will always have a special place in my 'book of life'. I appreciate having known you.

I've not communicated with you in these pages since I retired from the 15 years that I edited Shoes News...I regret that. The last act of retiring from horseshoe pitching and the newsletter was saying goodbye to Jerry Clark when he picked up the printer at the end of 2013. That I didn't acknowledge what a terrific job he did with the newsletter prior to losing him is also regretful. That I keep reading in Shoes News of the deaths of many of the wonderful people in "our horseshoe pitching family" is another concern. It reminds me of how many of the people in horseshoe pitching are of my generation, a generation that is seeing our grandchildren having children. I've got three on the ground and more coming.

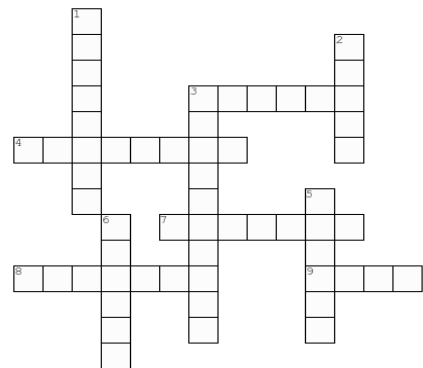

Some of you I keep track of by Facebook and by email. I enjoy that...but nothing will equal the memories of my horseshoe pitching years.

Jim Link

In Loving Memory of George Sprague

It is with great sadness that we must again say goodbye to one more of our very special horseshoe friends. I received an email from Carol Sperber, she received a call from Jaimee Herridge who let her know that George Sprague had passed away on Dec. 1. He was a long-time pitcher who took part in many tournaments over the years. He wanted to get back into pitching, but was unable to do it. His home had been in Covington, but

NHPA Unwritten Etiquette—Part 1

Personal "etiquette" by contestants, judges, scorekeepers and spectators is not always established by "Rules". A few **"unwritten" practices have helped standardize nearly all well conducted horseshoe tournaments....**

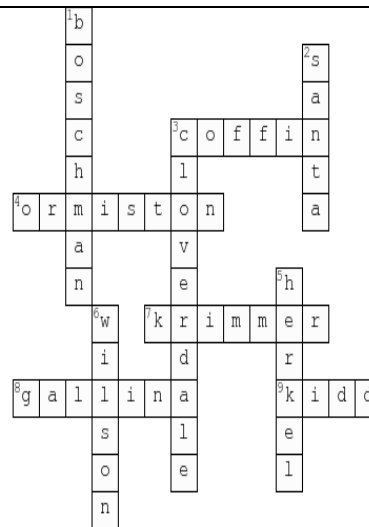

Here are a few of the generally accepted "unwritten" rules of etiquette in horseshoe pitching (Some may include or refer to NHPA Official Rules):

Without loss in competitive spirit, all participants shall maintain a friendly, civil attitude with one another, officials, scorekeepers and spectators, all of whom are expected to reciprocate in like manner. Boasting, fault finding, whining and complaining only serve to lessen respect for individuals and for the sport.

Opponents should shake hands prior to and following play of every game, to wish one another good luck and to thank one another for the opportunity to compete.

Scorekeepers are part of the court conditions and must officially record all scoring calls. They are to stay focused on play, without visiting with contestants or spectators. They may question contestants on scoring problems provided they do not interrupt a pitcher preparing to pitch. They may announce the current score when asked by the contestants. They should avoid shifting and moving their body or scoreboards when contestants are pitching to avoid unnecessary distraction. They must certainly remain in their chair instead of walking with contestants or moving around on the court during a game.

WINETROUT WINTER OPEN RINGER CLASSIC

This series of 6 tournaments from January through March gives those of us who brave the elements, a chance to get our pitching skills up to a competitive level as early as possible. They also serve as a way to encourage our members to renew their state and national memberships in a timely fashion. The mileage trophy is awarded to the pitcher who has traveled the most miles, one way and competes in at least 5 of the series. The winner of the most improved percentage trophy must also compete in at least 5 of the series. Pitchers cannot win either trophy more than once. At the conclusion of the series, a men's, women's, and elder's champion are named and presented with a plaque.
