Commentary: *Jim Link,*

You'd think after 13 years, I'd get it right. Last month's newsletter had a major mistake and a major omission. The huge mistake was in the schedule on page 10. I had the Pat Quinn memorial on the 9th. Instead of the 16, and the omission was that Bonnie had sent me an article about the HOF that never made it into the newsletter.

I didn't notice the wrong date until I received the Oregon newsletter which had the correct date in it. Going back to my schedule, from which I had copied and pasted into the newsletter, the date was wrong there too. Checking the website, the date was right there. The error was in that I had used an earlier version of the schedule which should have been deleted, but wasn't.

How do these things happen? I don't know. Poor organization maybe, but I do know that it will probably happen again. These incidents though will be a reminder for me to check my work more thoroughly and reorganize some files. My apology to anyone who got 'mixed up' from these errors.

The pressure on those who love our game and promote it by running for the offices, doing the stats, running tournaments and doing all the things to keep

Hi all here we are again. I just got back from Burlington to celebrate John Byfield and the Strawberry Open. Jon Turnbull and company can really do it up. Kudos to the pitchers that stayed to the bitter end on Saturday in the pouring

rain. The only thing that got them off the courts was lightening. Rhonda and I went to Spokane and I pitched in the driving rain over there. They did a great job making everyone feel like family. But the biggest thrill was talking with Henry Knauff. He has more pitching skill today then I may ever have. What a great talent and even greater person. I know he reads the Shoes News, so I want to say thank you for paving the way.

Our state participants that are going to the World tournament in Knoxville are working on their games and I am sure they are going to make us proud. I can see another elders champ and a cadet champ heading for the northwest. What an honor that will be.

For you guys that love to play horseshoes after hours we had a great time in Burlington. Russ Phillips, Paul Quam, Matt Fuller, Gene Kuiken, and I had a handful of games of walking doubles. I don't want to brag, but I think I found Russ's weak spot. You may think it is noise or walking out in front of him while he is pitching....But it is just a name. Thanks for being such a great sport Russ. We had some great fun.

See you on the courts. Don

Ole, while not a brilliant scholar, was a gifted portrait artist. His fame grew and soon people from all over the country were coming to Minnesota to have portraits done.

One day, a stretch limo pulled up to his house. Inside was a beautiful woman, who asked Ole if he would paint her in the nude. This was the first time anyone had made this request of Ole.

The woman said money was no object. She was willing to pay \$50,000.

Not wanting to get into trouble with his wife, Ole asked the woman to wait while he went in the house and conferred with Lena, his missus.

In a few minutes, he returned and said to the lady, "Ya, shoor, you betcha. I'll paint ya in da nude, but I'll haff ta leave my socks on so I'll have a place to wipe my brushes."

THANK YOU FOR YOUR SUPPORT!!!!

Hi Jim, Art and I visited Cy Kitchen the other day and he told us he no longer gets the *Shoes News*. I've sent Rhonda the \$20 for a subscription for him. He's still at 14817 W. Thorne Lane SW, Lakewood, WA 98498. His eyesight is very poor, but he can read with a magnifying glass, so maybe he will get some enjoyment out of it. He exercises every morning so that he can keep walking and doing the cooking for himself and Amy. At 98 he's an amazing guy! Carol Sperber

Good morning Jim,
Just wanted to say thank you for the nice "welcome back" you wrote in the latest shoes news. That was very nice.

I will be heading down to Bend to enter in their tournaments this coming weekend rather than going to Kennewick on the 16th. Perhaps I will see you at the Hermiston tournament on the 23rd? I'm going to try to get in some practice this week... haven't tossed a shoe since the last Kennewick tourney. Might be pretty hard to improve if I don't get in any practice. :-)
Betsy

Great to see you pitching again Betsy...Ed.

horseshoe pitching viable is demanding. Part of that is taking time away from other demands on life to attend tournaments and do all the other functions that it takes to keep up with the demands of the WSHPA. The picture on the front page is of a family that has done an extraordinary job in doing all of those things. To keep this organization running smoothly and raise a family as well is a tremendous challenge. Shoes News applauds President Don, Treasurer, Rhonda and their family. They deserve our thanks and appreciation.

WA has 11 entrants into the World Tournament this year Both Russ and Patrick are seeded #1 in their classes. You can keep track of their progress at World on the internet. Go to horseshoepitching.com, click on the World Tournament Banner, and follow the menu's for links to the events you want to keep track of.

Distribution: Everybody All,

The NHPA Council has made a decision to slightly modify a rule. The council will only do this in situations that are deemed common sense, and are also time sensitive. The change must be approved by the membership at the 2012 convention in Knoxville. If anybody has any questions about this action, please contact Rules Chairman Dan Sanders.

Rule 11 - Section G - Forfeits - Current Wording (also see pages 19 and 20 of the RGS Book):

In tournament competition, the wins and losses and all statistics accumulated shall remain in the books for a contestant who has to forfeit one (1) or more games, for any reason. A contestant may miss any number of games, due to illness or other legitimate reasons approved by the Tournament/League Officials, and still be permitted to return to competition. If a contestant forfeits for an unapproved reason, they will not be allowed to return to the competition and will forfeit all prize money and/or awards for that event. Any contestant who forfeits games shall finish wherever their record puts them in the standings, unless they forfeit for unapproved reasons; then they shall finish in last place. If forfeiting for an unapproved reason, this member shall also be subject to a one (1) year suspension from the NHPA (see Bylaws for additional information).

Rule 11 - Section G - Forfeits (changes/additions are in bold, italic print):

If, for any reason, a pitcher must forfeit a game prior to its completion, this player will receive a loss for that game and any accumulated statistics (shoes, points, ringers) for that game will be deleted from their records. His/her opponent will receive a win for that game, and if there are any accumulated statistics (shoes, points, ringers), they will remain in his/her records. * A contestant may forfeit any number of games, due to illness, ***injury***, or other legitimate reasons approved by the Tournament/League Officials, and still be permitted to return to ***the*** competition. Any contestant who forfeits ***such*** games ***will*** finish wherever their ***W/L*** record puts them in the standings, unless they forfeit for unapproved reasons (***see NHPA Bylaws, Article III, Section 8, a-d***). ***If so***, they will not be allowed to return to the competition, ***will be moved to*** last place ***in the standings***, and will forfeit all prize money and/or awards for that event. If forfeiting games for unapproved reasons, this ***contestant will*** also be subject to a one (1) year suspension from the NHPA (see NHPA Bylaws, ***Article III, Sections 8-11***); ***to be decided later by the Charter and NHPA Officers***.

**** Please note: If a forfeited game is "in progress", a Pacer should be used so that this game can be completed, for the opponent.***

Reasons For This Enactment :

- This rule change allows the statistics of games forfeited before their completion to be deleted from the records. It is logical that if a person has to forfeit a game in progress, that the accumulated shoes, ringers, and points for this incomplete game should not become a part of the official record.
- The new wording now specifies that the forfeiting player will receive a loss for that game, that the opponent will receive a win, and that the opponent's stats will remain as a part of his/her record.
- The new wording also references unapproved reasons for forfeiting as well as possible suspension information.
- Another good reason for this revised rule enactment is to help TD's across the country who use HSMaster. This problem (forfeiting of player's stats) is rare, but it can and does happen. We want to be sure it is being handled correctly across the nation.
- It should be noted here that the W/L record for all completed games of a tournament will not be affected by game forfeits.

Map Quest really needs to start their directions on # 5.
I'm pretty sure I know how to get out of my neighborhood.

Printable version of Tournament Cash Reconciliation Sheet

The above printable spreadsheet is a straight forward way to compute how to reconcile the receipts of a tournament; how much is owed to the WSHPA, and to compute if the tournament profitable, and by how much. When downloaded into a computer, the numbers fill the blank spaces automatically. A tournament can be reconciled within minutes after entry fees and costs are known.

You can download the spreadsheet from WSHPA.com, from Vey Allen; veyallen@frontier.com,; from Jim Link; jhlink2@gorge.net.
